

“This putting green was a surprise birthday present from my friends. But it’s so expensive to keep up, I think I’ll bill them for the maintenance!”

-George Kraus

● Architect William Sclight added huge wrap-around decks to Ocean Dream’s second story so the Kraus’s could take in the ocean view from a spectacular vantage point. Inset Photo: Generous hospital patrons Patricia and George Kraus.

● The dining room rug comes from Hamptons Rug Accents in Southampton, the chandelier from Suffolk Lighting, the chair slipcovers from Osborne & Little and the wallpaper is Cowton & Tout.

● Mrs. Kraus asked Liz Mauceri and Maria Greenlaw from Design House in Southampton to help her decorate. The hallway wallpaper is Cowton & Tout and the marvelous floor was painted by Lori Barnaby.
